

FRIDAY 5/22

STEW & HOMEMADE BREAD at your house. Since we can't be in Oak City to mingle tonight, take some time to call, text, FaceTime, Zoom or Skype with some of the cousins.

SATURDAY 5/23

In lieu of the traditional **TEE TIME** and **SHOOTING RANGE**, try a game of croquet and/or Nerf gun target practice in your backyard.

HOT DOGS and chips for lunch at your house. You can eat it on the tailgate of your truck to make it truly authentic. If you are feeling nostalgic for the Ace Hardware sauce, you can mix up a bit of mayo and mustard to slather on your hot dog bun.

Have some fun with some of our favorite MDB afternoon activities: **EATING, SWIMMING, EATING, VISITING, EATING**, a rousing game of **WIFFLEBALL, SOFTBALL OR SPIKEBALL**, and of course the **PIG CONTEST**.

DANCE party at your house!!! Whether your preference is for the old time sounds of the Austin Lovell Family band or for something more modern, turn up the tunes and dance the night away.

SUNDAY 5/24

CHURCH whatever time and in whatever way you choose to worship. Pick a song to sing together as a family, in lieu of our traditional Cousin's Choir number.

BUNCO, if you have an even number and enough persons in your quarantine circle/family to get a game going.

CEMETERY Visit findagrave.com and see family headstones in the Oak City Cemetery. Read all about our family in the Willis and Angie Lyman book, which is on willisandangie.com, along with many more family history stories.

FAMILY PICTURE Please take pictures and if you are willing, post them on Instagram/Facebook with our hashtag #VMDB49 for all of us to share the fun.

The **PROGRAM** and traditional **RED VELVET CAKE** Enjoy watching our much anticipated and beloved family skits, *pre-recorded for your viewing pleasure*, at willisandangie.com while eating red velvet cake made by YOU!! (see red velvet cake recipe)

SOUR DOUGH STIRRING (All of the kids thought they were getting out of it this year). If you decided to brave making the sourdough start, this is the time to get your batter started for tomorrow morning's pancakes. (See Sour Dough recipe)

MONDAY 5/25

Enjoy **THE BREAKFAST** while listening to Louis Armstrong at your house. Our traditional menu consists of Grandpa Ace's sourdough pancakes, Uncle Lavelle's fried eggs, Uncle Ron's & Uncle Bill's grilled ham, Uncle Rodger's Magic Tang and pure Oak City raw milk. Feel free to make adjustments where needed/wanted. (Remember, if you are making sourdough pancakes the batter requires an hour to rise in the morning after you add in the remaining ingredients.)
